STRATEGIC GOAL NO. 4

One Entity, Five Sites: **Renewed commitment to the concept of "museum system"**

Strategic Objectives:

1. Offer a collective training program, once annually, to provide ALL summer staff and museum volunteers with consistent messaging and information about the Museum system.
2. Work towards one "Friends of the Museum" organization – with separate/localized working groups if desired.
3. Coordinate advertising for more impact; "Upcoming at the Museums" rather than individual event/site advertisements.
-  4. Consolidate more multi-site events or programs where possible, such as a seasonal "passport" activity.
5. Enhance museum gift shops by developing signature products for the Museum system available at each location; also, upgrade the calibre of gift shop inventory.
6. Determine a consistent admission/admission-by-donation policy across the Museum system using cost/benefit analysis.
