Project Description

Provide a description of the project that answers the following questions:

What did the nominee do? How was it accomplished? Who was involved and how did partners participate? Who benefited? Why was the project undertaken? When did it take place? Where did it take place and/or where did it have an impact?

Describe how the project exceeded current standards of museum practice and demonstrated innovation, creativity, and leadership.

Explain how you measured the success of the project. What made it exceptional?
